WHEREAS, on October 9, 2009, two additional debtors, REALM and ENCORE (together with the Initial Debtors, the “**Debtors**”), commenced voluntary cases under chapter 11 of the Bankruptcy Code;

WHEREAS, the chapter 11 cases filed by the Initial Debtors, REALM and ENCORE have been consolidated for procedural purposes and are being administered jointly as Case No. 09-50026 (REG) (the “**Bankruptcy**”);

WHEREAS, the United States of America (the “**United States**”), by its attorney, Preet Bharara, United States Attorney for the Southern District of New York, on behalf of the United States Environmental Protection Agency (“**EPA**”), has alleged that MLC and/or affiliated Debtors are

VIII. COVENANTS NOT TO SUE AND RESERVATION OF RIGHTS

53. In consideration of the payments and/or distributions that will be made under the terms of this Settlement Agreement, and except as specifically provided in Paragraphs 55 through 57, United States on behalf of EPA covenants not to file a civil action or to take any administrative or other civil action against the Debtors pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, and Section 7003 of RCRA, 42 U.S.C. § 6973, with respect to the Settled Non-Owned Sites.

54. These covenants not to sue (and any reservations thereto) shall also apply to Debtors' successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

55. The covenants not to sue set forth in this Settlement Agreement shall extend only to Debtors and the persons described in Paragraph 54 above and do not extend to any other person. Nothing in this Settlement Agreement is intended as a covenant not to sue or a release from liability for any person or entity other than the Debtors, the United States, and the persons or entities described in Paragraph 54 above. The United States and the Debtors expressly reserve all claims, demands, and causes of action, either judicial or administrative, past, present, or future, in law or equity, which they may have against all other persons, firms, corporations, entities, or predecessors of the Debtors for any matter arising at or relating in any manner to the Settled Non-Owned Sites.

56. The covenants not to sue set forth in Paragraph 53 do not pertain to any matters other than those expressly specified therein.

57. The United States expressly reserves, and this Settlement Agreement is without prejudice to, all rights against the Debtors with respect to all matters other than those set forth in Paragraph 53. The United States also specifically reserves, and this Settlement Agreement is without prejudice to, any action based on (i) a failure to meet a requirement of this Settlement Agreement; (ii) criminal liability; (iii) liability for damages for injury to, destruction of, or loss of natural resources; (iv) liability for response costs that have been or may be incurred by federal agencies which are trustees for natural resources; and (v) liability with respect to any site other than the Settled Non-Owned Sites. In addition, the United States reserves, and this Settlement Agreement is without prejudice to, all rights against the Debtors with respect to the Settled Non-Owned Sites for liability under federal or state law for acts by the Debtors, their successors, or assigns that occur after the date of lodging of this Settlement Agreement. Nothing in this Settlement Agreement shall be deemed to limit the authority of the United States to take response

action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the United States pursuant to such authority. Nothing in this Settlement Agreement shall be deemed to limit the information-gathering authority of the United States under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable law or regulation, or to excuse the Debtors from any disclosure or notification requirements imposed by CERCLA or any other applicable law or regulation.

58. The Debtors hereby covenant not to sue and agree not to assert or pursue any claims or causes of action against the United States, including any department, agency, or instrumentality of the United States, with respect to the Settled Non-Owned Sites, including, but not limited to: (i) any direct or indirect claim for reimbursement from the Hazardous Substances Superfund established pursuant to 26 U.S.C. § 9507; (ii) any claim against the United States under Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613; or (iii) any claims arising out of response activities at the Settled Non-Owned Sites. Nothing in this Settlement Agreement shall be deemed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

IX. CONTRIBUTION PROTECTION

59. The Parties agree, and by entering this Settlement Agreement the Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that the Debtors are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Settlement Agreement. Subject to the last sentence of this Paragraph, the “matters addressed” in

this Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), include, without limitation, claims by EPA or potentially responsible parties for response costs at or in connection with the Settled Non-Owned Sites, including releases of hazardous substances from any portion of the Settled Non-Owned Sites and all areas affected by migration of hazardous substances emanating from the Settled Non-Owned Sites. The “matters addressed” in this Settlement Agreement do not include claims against any of the Debtors for past response costs incurred by potentially responsible parties prior to the date of lodging this Settlement Agreement with the Bankruptcy Court and included in proofs of claim filed in any of the Bankruptcy Cases by potentially responsible parties with respect to the Settled Non-Owned Sites.

60. The Debtors each agree that, with respect to any suit for contribution brought against any of them after the Effective Date for matters related to this Settlement Agreement, they will notify the United States within fifteen business days of service of the complaint upon them. In addition, in connection with such suit, the Debtors shall notify the United States within fifteen business days of service or receipt of any Motion for Summary Judgment and within fifteen business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Section IX of this Settlement Agreement.

X. JUDICIAL APPROVAL AND PUBLIC COMMENT

61. In the event that the Creditors’ Committee timely objects to this Settlement Agreement pursuant to the Settlement Procedures Order, the Debtors shall promptly seek approval of this Settlement Agreement under Bankruptcy Rule 9019 or applicable provisions of the Bankruptcy Code.

62. This Settlement Agreement shall be lodged with the Bankruptcy Court and shall thereafter be subject to a period of public comment following publication of notice of the Settlement Agreement in the *Federal Register*. After the conclusion of the public comment period, the United States will file with the Bankruptcy Court any comments received, as well as the United States' responses to the comments, and at that time, if appropriate, the United States will request approval of the Settlement Agreement. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Settlement Agreement disclose facts or considerations which indicate that the Settlement Agreement is not in the public interest.

63. If for any reason (i) the Settlement Agreement is withdrawn by the United States as provided in Paragraph 62, or (ii) the Settlement Agreement is not approved by the Bankruptcy Court: (a) this Settlement Agreement shall be null and void and the parties hereto shall not be bound under the Settlement Agreement or under any documents executed in connection herewith; (b) the parties shall have no liability to one another arising out of or in connection with this Settlement Agreement or under any documents executed in connection herewith; and (c) this Settlement Agreement and any documents prepared in connection herewith shall have no residual or probative effect or value.

XI. NOTICES

64. Whenever, under the terms of this Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below via U.S. mail, unless those individuals or their successors give notice of a change of address to the other Parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. Except as otherwise provided in this Settlement Agreement, written notice as specified herein shall

constitute complete satisfaction of any written notice requirement in the Settlement Agreement
with respect to the United States and the Debtors, respectively.
